Dear Parent/Guardian:

School Districts receive additional targeted funding for students who self-identify as being of Aboriginal Ancestry. In school District No. 73, this funding is allocated to offer Aboriginal programs and services in schools.

According to our records, your son/daughter has been identified as being of Aboriginal ancestry and we would like to include him/her in our Aboriginal programs and services.

If you are in agreement, please sign the permission form below. If you do not wish your son/daughter to participate, or if our information is incorrect, please let the school office know.

For further information regarding Aboriginal Education in School District No. 73, you may contact Mike Bowden, District Principal – Aboriginal Education at 250-376-2266.
