Game On

This week I received a challenge from Principal Stott of Barriere Secondary, challenging Clearwater Secondary to raise money for Terry Fox. Knowing that Clearwater has a history of being incredibly generous I gladly accepted the challenge. The contest will conclude on September 30th.

When Barriere loses, Principal Stott will wear one of our jerseys all day long at school.

There are two ways you can help Clearwater Secondary win this challenge.

- Come see us at Tim Hortons next week, starting Wednesday morning for a chance at some fabulous items from CSS.
- Sponsor one of our students to run their part of our daily relay marathon around the school.

New Daily Health Check

- The BCCDC has released new guidelines which are reflected in our new Daily Health Check that is posted along side our newsletter
- The new guidelines allow a faster return to school for students who may have felt ill but feel fine the next day. Please review the new guidelines and contact us if you have any questions.
- We will be sending home a hard copy of the revised guidelines with students on Monday. If you have already signed the original version there is no need to submit a signed copy of the new version.
- As before:
 - Students must stay home when they are sick.
 - You must contact the principal and provide any direction provided by public health

School District No. 73 (Kamloops-Thompson) Acknowledgement to Complete Daily Health Check - Student

Please keep this page somewhere it can be easily accessed daily. You must answer the following daily screening questions **BEFORE** your child(ren) comes to school.

Daily Health Checks		YES ✓	NO ✓
1. Key symptoms of illness	Do you have any of the following key symptoms?		
	Fever		
	Chills		
	Cough or worsening of chronic cough		
	Shortness of breath		
	Loss of sense of smell or taste		
	Diarrhea		
	Nausea and vomiting		
2. International Travel	Have you returned from travel outside Canada in the last 14 days?		
3. Confirmed Contact	Are you a confirmed contact of a person confirmed to have COVID-19?		

Thank you Wadlegger's and SA Energy

The school district is currently renovating our wood shop, updating the ventilation system. Due to these upgrades our Woods 10-12 class is working outdoors and we needed storage. A big thank you to Wadleggers who donated the use of a shipping container. A big thank you to SA Energy who transported the shipping container for us.
