

## **Clearwater Secondary School Supplies September 2020**

\*\*\* This is a suggested list

- Binders
  - Many students like the zip up ones.
  - One start, dividers for binders
  
- Lined paper, graph paper
- Pens red blue black, multi-colors makes note taking more effective
- Highlighter
- Pencils and erasers
- Sticky tabs, great for marking your page, also call Post-It Flags
- Sticky notes, great for quick notes
- Ruler
  
  
- Calculator
  - Not solar
  - Texas Instruments work well and are affordable
  - Suggested models TI-30Xa
  - Models such as the TI-30xIIS or TI-34 Multiview are great, they allow you to view multiple lines, a great upgrade
  - <https://education.ti.com/en/product-resources/scientific-course-comparison>
  - For Sr. students pursuing sciences, these more expensive models are a great investment, TI-83 or 84
  - Students may not use their phone for a calculator during tests/quizzes
  
  
- PE strip, water bottle
  
  
- School lock, must be purchased from CSS, \$8, we buy them back for \$6 in at grad. Student may swap out locks at anytime if they want a different combination.
  
  
- Optional items
  - glue stick, pencil crayons, scissors
  - USB stick for transferring files
  - Headphones, sometimes students will be watching individual instructional videos
  - Day planner for tracking homework etc
